MINIMUMS

- Our minimum order is 12 pieces.
- Our minimum requirement is 12 pieces per style, per design.
- It cost the same amount of time and money to set up our printing presses no matter the number of prints. In other words we have the same amount of cost and time in setting up to print 1 piece as we do to print 1000 pieces. These costs are spread across the number of pieces ordered. Therefore the larger the order the more economical the price will become.
- Colors are a total of front and back ink colors used. We can print up to 6 colors on the front and up to 6 colors on the back.

SET UP AND ART

- **Screen setup – See prices on reverse side:** Unique Designs retains ownership of all screens.
- **Ink change:** we charge various prices to change ink colors on the press in the middle of a run. See reverse price list.
- **Artwork design and reformatting:** \$35/hr after first 20 minutes. If we can adjust your art for production in 20 minutes or less there is no charge.

FINISHING AND SHIPPING

- **Shipping:** We will ship anywhere in the United States or Canada that UPS services. Shipping rates apply.

Terms and Conditions

- **DEPOSIT AND PAYMENT:** A 50% deposit is required to begin printing. Payment in full is expected when the order is complete. We accept cash, checks, and credit cards (Master Card, Visa, and most debit cards). If a completed order is not paid for within 10 business days an additional financing charge will apply.
- **TURNAROUND TIME:** Typical turnaround time is 5-7 working days from the time that a 50% deposit is collected and art mockups are approved with a signature or via email. Rush charges may apply for orders needed sooner than our typical turnaround.
- **HOLIDAYS:** These holidays are not working days for us so please consider this in regards to turnaround time and rush charges.
- **RUSH ORDERS:** We understand that there are occasions when orders are needed sooner than 7 business days and we strive to fulfill those orders. If an order is being shipped, then the rush charges apply to our production time only. The amount of time it takes the carrier to get the order to you is not guaranteed by Forward Printing. Rush orders require payment in full to begin printing. We cannot guarantee that we will accommodate all rush orders.
- **OUT OF STOCKS:** It is unfortunate, but sometimes our vendors will run out of particular styles or colors. If this happens we can offer a variety of possible substitute products from other vendors, or you can choose to wait until the items are back in stock. If you choose to wait for the inventory to be replenished then we cannot guarantee the turnaround time or that the items will be back in stock when the vendor says they will. If you choose a substitute garment then we should be able to stick to our typical turnaround time unless those garments are out-of-stock as well.
- **ESTIMATES:** Estimates expire in 30 days. Estimates are subject to change upon review of submitted artwork. Prices may be revised at the time of invoice based on actual prints.
- **ART AND PREPARATORY MATERIALS:** Art must be complete and to final print size. Art, separations, films, screens, and other items supplied by Unique Designs remain the property of Unique Designs.
- **PROOFS:** Additional charges apply for press proofs based on the complexity of the print and the amount of time on the press.
- **MISTAKES:** In the event that we make a mistake printing your shirts, then we will reprint these garments for you at no additional cost. We do not offer refunds.
- **SHIPPING:** Shipping is not included in estimates unless specified. Shipping time is not included in turnaround time.
- **RECEIVING YOUR ORDER:** We encourage you to check the quantities and quality of the garments you receive from us immediately. Unique Designs cannot be held accountable for defects or problems with your order unless contacted within 48 hours of delivery.
- **ORDER CANCELLATION:** In the event an order needs to be cancelled, refunds or return of deposits will be based on the status of the order (Have the items been ordered? Have any of the items been printed? Etc.) and may be subject to penalties and/or restocking charges.
- Terms and prices are subject to change without notice.
